**CLASS-IX
ENGLISH LITERATURE
CHAPTER: ALL SUMMER IN A DAY
WORKSHEET NO: 2
SOLVED**

1. Choose the correct alternative to complete the sentences:

- i) c) Two years
- ii) c) Summer and sun
- iii) d) Jungle mattress
- iv) a) The door way

2) Fill in the chart given below:

Cause	Effect
i) The children were too eager to see the sun which they had never seen before	
ii)	The children could feel the immense silence, they stood apart smelling the silence of the waiting world

3) Answer the following questions: (within 15 words)

- i) The people of Venus would be able to see the sun again after seven long years.
- ii) The children were turning up their faces to the sky to feel the warmth of the sun on their cheeks.
- iii) The children took off their jackets to let the sun warm their arms.
- iv) The children heard the gigantic sound of the rain falling everywhere after closing the doors.
- v) The children enjoyed the sun for only one hour before it started raining again.
- vi) As the lightning struck, the sky darkened into mid-night in a flash.

4) Answer the following questions: (within 25 words)

- i) Venus is a raining planet where rain falls endlessly for seven years through day and night. Heavy storms, tidal waves, endless showers are the general scenarios along with the forests which resemble the colour of rubber, ash and ink.
- ii) The children ran and ran throughout the jungle turning up their faces to the sky. They laughed, slipped, pushed each other and squinted at the sun. They savoured everything because of their eagerness to see the sun.
- iii) The sun appeared only for an hour. As soon as the time ended, cold drops of rain started falling on the noses and cheeks of the little children vanishing their smiles. The sky darkened when lightning struck and the children turned pale while returning to the raining world.
